INVITATION TO REGISTER

The African Organisation for Research and Training in Cancer (AORTIC) invites you to register for AORTIC 2009. It is AORTIC's seventh international cancer conference and follows on the success of AORTIC 2007 in Cape Town and AORTIC 2005 in Dakar. The theme of AORTIC 2009 is **Cancer in Africa - the New Reality** and will focus on all aspects of cancer care and management from prevention and diagnoses to treatment and palliation. It will be held in Dar es Salaam, Tanzania, 11-14 November 2009.

AORTIC is committed to making cancer control a priority on the health care agendas of all African countries and one of the organisation's most effective tools is its biennial international conference. The scientific programme will promote and facilitate an international exchange of research and practical information among practitioners working in cancer care, in Africa and around the world. Delegates to AORTIC 2009 will also make progress toward fulfilling their annual CPD requirement.
