Abstract Submission Deadline:
2 May 2025

Why Submit an Abstract?

✓ Elevate African oncology

Your research has the potential **to shape practical strategies** that improve cancer outcomes across the continent.

✓ Join a solutions-driven dialogue

AORTIC is more than a congress. It is a platform **where scientific insights influence real change.**

✓ Build meaningful connections

Collaborate with oncologists, policymakers, and innovators who are actively working to transform cancer care in Africa.

✓ Turn knowledge into action

Present your work in a setting that encourages collaboration, visibility, and long-term impact.
