

## The 15th AORTIC International Conference on Cancer in Africa

**November 2-5, 2025 | Hammamet, TUNISIA**

**Subject Line:** Explore the AORTIC 2025 Programme and Apply for IAEA Sponsorship

**Header:** Discover the Sessions, Themes, and Opportunities Waiting for You in Tunisia

## Scientific Programme Now Online!

We are pleased to announce that the **AORTIC 2025 Scientific Programme** is now available on our website.

From **genomics and clinical trials** to **nutrition, GU cancers, and health equity**, this year's programme addresses the most pressing issues in cancer care across the African continent. Taking place in **Hammamet, Tunisia from 2-5 November 2025**, the conference brings together researchers, clinicians, policymakers, and advocates to share knowledge and shape solutions.

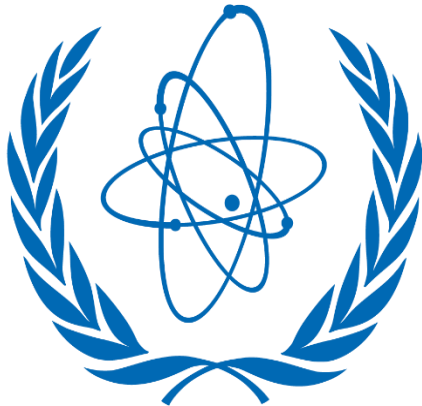

**Now is the time to explore the sessions and plan your conference experience.**
